QUOTES TO LIVE BY

Regeneration gives the gifts of repentance and Faith. Regeneration is the implantation of new life in the soul.

Mighty outpourings of the Spirit resulting in large numbers of conversions have happened since Biblical times.

Simply because someone has powerful impressions of God's love or overwhelming feelings of sadness over sin doesn't mean that conversion has occurred.

Awakening or REVIVAL is a glorious season when God causes the ordinary means of His Grace to make an extraordinary impact on many people.

Our understanding of spiritual awakenings around the world must be driven by the simple and essential fact that our KING really is alive.

The HOME FRONT is the forlorn battlefield of the cultural wars. For the church to remain a "city on the hill," the light of the Gospel must shine brightly in the home.

I NEVER THOUGHT I WOULD SEE THE DAY...

by Dr. Milton Redeker

1. When atheists would be angry.
2. When Christians wouldn't know they were in a war.
3. When Jesus would be so profaned.
4. When marriage would be obsolete.
5. When morality would be in a free fall.
6. When the Bible would be marginalized.
7. When the church would be irrelevant.
8. When a Muslim state could intimidate the world.
9. When America would turn her back on Israel.
10. When changing your mind could save your life.

Christians must make a choice; conform to the chaos of this world or allow God to transform them.

Happy Birthday to YOU!
