

Dear Parent:

University Baptist Church (UBC) is passionate about helping families incorporate faith into everyday life. Because God gave parents the privilege of nurturing faith in the next generation, we hope to provide you with a few tools that may help you in this journey. The Faith Path initiative exists to partner with you as you guide your child's spiritual journey one step at a time. Age-appropriate kits have been created to help you leverage the best faith formation strategy for your child's stage of development. In this *Rite of Passage* kit, you will find practical ideas and suggested resources to help you give your teen a vision for adulthood.

We urge you to start today by taking the following simple steps.

STEP ONE: LEARN

We have provided a short video that explains this particular Faith Path step. You will hear from both experts and ordinary families as they share practical suggestions from their experiences. You will also find a guide that offers practical tips and what we consider the best resources on the topic. If you would like additional coaching or information on the next Faith Path Foundations workshop, please visit www.ubc.org/faithpath or stop by The Porch in the Fellowship Hall.

STEP TWO: START

To help you start, a *Rite of Passage* planning guide has been provided. Begin prayerfully considering how you will invite your young person to begin embracing the responsibilities of adulthood.

If your child is included in the UBC database, you will receive an email during the month of your child's birthday with information on how to get the free kit appropriate for his or her age. If you are new to UBC and need to provide information on your child for our database, please go to www.ubc.org/faithpath and complete the online form.

We hope you find this kit helpful in the process of forming the faith of your child at home. Feel free to visit www.ubc.org/faithpath to learn more or to determine if your child/children are ready for other Faith Path steps.

Warm regards,

A handwritten signature in black ink, appearing to read "KW", is written over a light blue horizontal line.
