

Dear Parent:

University Baptist Church (UBC) is passionate about helping families incorporate faith into everyday life. The privilege of nurturing faith in the next generation is a great gift from God. At UBC, we hope to partner with you and provide you with a few tools that may help in this journey. The Faith Path initiative exists to help you guide your child's spiritual journey one step at a time.

Here are three steps you can take to help your family begin using the Faith Path plan.

**STEP ONE: WATCH**

We have provided a short video that explains the philosophy behind Faith Path. Please watch it to understand why UBC wants to partner with you in your role as a parent.

**STEP TWO: READ**

In this kit, you will find a brochure that explains our "one step at a time" strategy. If your child is included in the UBC database, you will automatically receive an email during the month of your child's birthday. The email will explain how you can pick up the next Faith Path kit for your child's stage of spiritual development. If you are unsure of your family's status in the database, please go to [www.ubc.org/faithpath](http://www.ubc.org/faithpath) and complete the form to update your family's profile.

**STEP THREE: START**

To help you get started, this Overview Kit explains two activity options called *Faith Walk* and *Faith Handoff*. I encourage you to choose one, schedule a time, and get started.

Thank you for taking seriously the task of guiding your child's faith at home. I hope you find the Faith Path initiative helpful. Feel free to visit [www.ubc.org/faithpath](http://www.ubc.org/faithpath) to learn more.

Blessings,

Dr. Steven Laufer  
Senior Pastor, University Baptist Church
